PRESENTATION BY ERIC BISHOP AT DEFENCE NATATIONAL PLANNING CONFERENCE

Dear Andrew,

As the Director Estate Planning, I would like to pass on my thanks for the quality and professional delivery of the presentation provided by Eric Bishop. The feed back from participants indicated it was one of the best presentations received over the three day conference.

This is directly attributable to the level of knowledge and experience Eric has gained over the years working within the Defence environment on Major Capital Projects. His professionalism throughout has represented Thiess admirably in an environment which had senior representation from all Defence Regions.

Please pass on our thanks to Eric and we look forward to a continued association with Thiess within the Defence Infrastructure Environment into the future.

Yours sincerely

A. Farrell
